

Augusta Park Matters

By-election Special

KATIE BROOKS - YOUR NEW VOICE FOR AUGUSTA PARK

Following the resignation of Cllr Nick Matthews for health reasons, there will be a by-election in Romans Ward on Thursday the 15th of December.

Augusta Park resident, **Katie Brooks** has been selected to stand as the Conservative candidate - and if successful will join already elected councillors, Kirsty North and Tracey Tasker to represent you on Test Valley Borough Council.

Katie said: "As a local resident, whose son attends Endeavour Primary School, I'm delighted to have been given the opportunity to stand. If elected, I promise to be your champion within Test Valley. Listening to your concerns and fighting for resources to continue to improve our community".

PATHWAY COMPLETED

The second phase of the new pathway linking Augusta Park to Smannell has now been completed – giving residents the opportunity to safely walk to the pub, church and school in the village. This project, delivered thanks to the efforts of your Romans Councillors, has resurfaced and widened the existing cross-field footpaths with scalpings. A durable material that has made the footway a lot less boggy and more accessible but still in keeping with the natural landscape.

"I have known Katie for many years and have always found her to be a such a kind and caring person - going above and beyond to help people. We have huge ambitions to continue to improve Augusta Park and regenerate Andover town centre and I need a strong team to be able to do that. I'd be hugely grateful if you would back Katie in this important by-election."
